

SINCE THE  
INSCRIPTION IS ON  
THE THRONE OF THE  
FIRST KING,

I THOUGHT I COULD  
FIND INFORMATION ABOUT IT  
BY LEARNING ABOUT HIM...

THE FIRST KING WAS  
A VERY POWERFUL  
MAGICAL,

AND BY BATTING AN OATH  
WITH THE FAIRY QUEEN,  
HE SET THE FOUNDATION  
OF THIS EMERALD.

HE ALSO FORMED  
A FRIENDSHIP WITH  
THIS VERY FAIRY

NO WAY  
THAT'S EVERYTHING TO IT.  
AH, MY HEAD HURTS...

(The Story of a Magician and a Princess)

*Song for the Dead Fairy*

THIS MAGICAL  
IS THE PRINCE,  
RIGHT?

NEVER!  
THE PRINCES  
ARE DEAD THERE!  
NO PRINCE HERE!

WHAT? DEATH?

COULDN'T MATTER. YOU'RE  
THE FIRST MAGICAL TO EVER  
DEFEAT ME. LET'S BE FRIENDS!

**LEAVE  
ALONE!!!**

MISS LACORNE!

NO, YESTERDAY YOU  
CAME TO THE CASTLE  
TO MAKE FRIENDS.

BUT SINCE YOU  
COULDN'T ENTER, YOU  
CREATED THAT WISH?

YES,  
THAT'S RIGHT!

THE STORYBOOKS I READ  
SAID I COULD MEET A PRINCE  
IF I GO TO THE CASTLE!

AND WHAT'S WITH  
THESE SOUND WAVES?  
IS THIS AN ATTACK?

IF YOU HAD INFUSED MAMA  
INTO THEM, THIS PLACE  
WOULD HAVE BLOWN UP!

SHEESH—  
YOU TALKED OF A FAIRY?

The waves of her winds  
were so powerful

that even fellow faeries  
were too weak to come near her

So very lonely, Aquileia,

But one day, by chance,  
she encountered a magician

A peculiar magician  
with eyes of differing colors

He was unbound  
by Aquileia's winds

Filled with joy, Aquilona  
gave a promise to the magician.

That if he was to become her friend,  
she would protect him forever.

With her protection, the magician became king

and had a beautiful queen

Asakura,  
watching his happiness,  
what did she think?

Perhaps, she was happy  
and smiled dazzlingly like a flower

- The only thing that brought her sorrow was the magician's death

"How could you, who killed Death itself,  
die oh so soon?"

48 letters  
not unlike a curse.

Crying a hundred days, crying a thousand days,

she faded into sea foam—

Aqualea.

Even in death, she protects the magician's descendants.

Oh foolish Aqualea.

Ah—ah—

Our beloved sister.

When that time comes,  
we will be by your side.

A SONG FOR AQUALEM.

*"How could you, who killed Death itself,  
die oh so soon?"*

*48 letters  
not unlike a curse.*
